

PENN STATE WORTHINGTON SCRANTON

“Coaxing the Secrets of Oil: We Swimming Together or Drowning Together in Oil?”

**September 13, 2010, noon to 1:00 P.M.
Sherbine Lounge in Study Learning Center**

Panel Discussion: Presenters will discuss how, for better or worse, the world’s humanity is tied together by our joint dependence on oil as a fuel and as a raw material for industry.

Public Participation is welcome
